

Early World of Learning

Early literacy resources that lets kids read, listen, learn and play in English & Spanish. Check out the **Classic** part of the website where you can download the audio files of classic songs, nursery rhymes and stories.

Kids

Children can begin learning and doing some research. Browse through articles, compare animals & places, and get instructions for science experiments. There's also a French language & Spanish-language site for kids.

Grow & Learn with

World Book

Timelines

Pre-teens and teens can use this resource to access pre-existing timelines, customize pre-existing timelines, or make a timeline from scratch. You can add notes, pictures, videos, dates, and colour code events.

Student

Kids and pre-teens can get guidance on how to do research, search through articles, take quizzes, interact with maps, build citations, stay up to date on world news, and access biographies.

Advanced

Teens can get resources to do research, interact with maps, & compare places, a dictionary, build citations, stay up to date on world news, and access resource guides & pathfinders.
